HOW TO USE DOGIPOT® LITTER PICK UP BAGS

PLEASE CLEAN UP AFTER YOUR DOG!

FOR QUESTIONS OR COMMENTS CALL 800.364.7681 or VISIT OUR WEBSITE AT: www.DOGIPOT.com

DOGIPOT® SMART Litter Pick Up Bags™

DOGIPOT® SMART Litter Pick Up Bags™ are the most effective, dependable and economical tool used to help eliminate dog pollution in dog friendly areas. Thick enough to withstand the rigors of shipping, warehouse storage, exposure to various environmental elements and to get the pick up job complete, yet not too big or too thick that they just add unnecessary costs or material to the waste stream. DOGIPOT® SMART Litter Pick Up Bags™ are the SMART choice. They are the superior pick up tool that provides the perfect balance of dependability and value. DOGIPOT®s dependability saves you money!

DOGIPOT® SMART Liner Trash Bags™

DOGIPOT® supplies a variety of SMART Liner Trash Bags™. Our heavy duty 10-15 gallon are the most popular and are specifically designed to fit all DOGIPOT® Pet Stations, trash receptacles and DOGIPOT® DOGVALETS® and can be used with any 10-15 gallon trash receptacles. Our 33 gallon (Medium) and 55 gallon (XL) SMART Liner Trash Bags™ are perfect for use in numerous other receptacle types that may or may not be a part of dog waste pick up programs, and

unlike most liner trash bags of this size, DOGIPOT® are economically-friendly, using the same technology as our SMART Litter Pick Up Bags™. Additionally, these liners are extra extra heavy-duty, puncture and tear resistant and have added strength with a star-seal bottom. All DOGIPOT® SMART Liner Trash Bags™ are designed for superior performance and with the DOGIPOT® dependability you know and expect.

DOGIPOT® Junior Bag Dispensers

DOGIPOT® Junior Bag Dispensers are a versatile tool to help eliminate dog pollution. Their low price and high bag capacity make it the ideal tool to encourage residents and visitors to pick up after their dogs in public parks, private communities, apartment and condo complexes, campgrounds, RV parks, hotel yards, dog walk areas, marina common areas, and all other dog-friendly areas. DOGIPOT® Junior Bag Dispensers are built to last, unlike many of the competitive products on the market today. These may be mounted in numerous convenient locations to encourage maximum usage. The dispensers have a 400 bag capacity so maintenance staff does not have to fill each unit as often. DOGIPOT® Junior Bag Dispensers are the must-have tool for pick up program success and cleaner dog-friendly areas.

DOGIPOT® DOGVALET®

The aesthetically appealing DOGIPOT® DOGVALET® makes it convenient for dog owners to pick up after their dogs by providing both the necessary tool (built in dispenser with capacity of two (2) rolls @ 200 bags each of opaque green, DOGIPOT® SMART Litter Pick Up Bags™) and the convenient trash receptacle to dispose of bagged dog waste. The DOGIPOT® DOGVALET® eliminates the excuses for not being a responsible dog owner. Unlike time consuming cleaning of dog walk areas, the DOGIPOT® DOGVALET® can be conveniently emptied at the same time as the scheduled trash collection. This best selling item comes in a durable aluminum or economical polyethylene, and is the perfect tool to help eliminate dog pollution.

ALL DOGIPOT® DOGVALETS® INCLUDE:

- DOGIPOT® SMART Litter Pick Up Bags™ (400)

A Bernese Mountain Dog is lying on its side on a patch of green artificial grass. The dog has black, white, and brown fur, with its tongue hanging out. Behind the dog is a wooden bench with black metal legs and armrests. The bench has two bone-shaped cutouts in its backrest. The background is a dark brown fence and some green foliage.

DOGIPARK® AMENITIES

Great amenity equipment is necessary in dog parks so dog owners can enjoy watching and resting while their pups play and exercise. Benches, trash receptacles, fire hydrants and leash posts all add function, comfort and character to any dog park. Designed for durable strength, functionality and low maintenance, DOGIPARK®'s amenity equipment is a must have to all dog parks.

ARTIFICIAL GRASS

DOGIPOT® is a big believer in the benefits of artificial grass for dog parks and dog friendly areas. However, picking the right artificial grass product is a very important decision. DOGIPOT® chose K9 GRASS from Foreverlawn for our DOGIPARK at our headquarters. We felt it was the ultimate pet surface and would help us maximize cleanliness, comfort and beauty. DOGIPOT®'s DOGIPARK products go perfectly with K9 GRASS and we felt it was superior in every way to the other artificial grasses on the market. If you are interested in artificial grass for your dog friendly areas, DOGIPOT® can save you some of the leg work and connect you with the right representative at Foreverlawn to assist you.
