

Play4Pups™

Dog Park Equipment from **Burke**

Play for the Whole Family

Play for the whole family means including our playful pups! Introducing Play4Pups™, a fun obstacle course that keeps our beloved canines and our entire community moving! With so many people seeking to get outdoors with their dogs and a high demand for outdoor spaces where we can connect and exercise, Play4Pups is the next innovation in outdoor recreation. The time is now to get our entire family outside!

Play4Pups

Play4Pups courses are designed to meet a range of skill levels and fit within the American Kennel Club's recommended minimum half-acre area for dog play. Our Expert, Intermediate and Novice courses all offer dogs and owners a variety of experiences to increase agility and enhance confidence while fostering the bond between dogs and their owners. It's Play That Moves You® for the entire family.

Burke Built® Quality

Play4Pups products are handcrafted by artisans in our Fond du Lac, WI USA facility using the highest quality materials. From high density polyethylene plastics to premium powder coatings, quality and longevity are of the utmost importance to us. Your local Burke Representative is available to assist you with installation and maintenance so your Play4Pups pieces can keep your community moving for years to come!

Burke Turf®

Burke Turf is the perfect surface for your Play4Pups course! Clean and smooth, it has the look and feel of real grass with the ease of turf. Dogs and their owners will launch their play experience from Burke Turf and create bonding and memories together. Contact your local Burke Representative to learn more about this exciting surfacing option.

Color Selection

Humans and dogs see a different spectrum of colors and Play4Pups has color options that play to both ways of seeing things. Create a space that complements your Burke playground or recreation space or use the color guide below to see which colors dogs see while they play.
