Wausau Tile
Buildings 1, 2, 3 Overview

WELCOME

Over the course of seven decades, Wausau Tile has experienced remarkable growth, solidifying its position as the leading producer of architectural concrete, terrazzo, and metal items. Pioneering the field, we proudly hold the distinction of being the first American manufacturer of cementitious Terrazzo Tile and one of the early domestic creators of hydraulically pressed concrete pavers.

Rooted in our company's foundational principles of excellence and personalized customer care, we have forged enduring relationships with numerous architects, designers, contractors and businesses across the globe.

Our team comprises of dedicated, innovative, and responsive professionals, making Wausau Tile the dependable collaborator. Presently, our products grace virtually every community in the United States, a testament to our unwavering commitment for high quality Architectural Products with projects from local Main Street, well known restaurants, iconic landmarks, even New York City's Times Square.

SITE FURNISHINGS

Wausau Tile Site Furnishings is a distinguished provider of a diverse array of premium outdoor products, meticulously designed to enhance and elevate various spaces. With a keen focus on aesthetics, functionality, and durability, we offer a comprehensive range of Site Furnishings, including benches, planters, receptacles, bollards, and so much more. Our products seamlessly merge form and utility, creating inviting and comfortable outdoor environments that foster interaction and relaxation.

Our dedication to quality craftsmanship, innovative design, and customization options ensures that each piece aligns seamlessly with the brand's personality. From contemporary to classic, we offer a spectrum of styles, materials, and finishes, allowing businesses to showcase their individuality and leave a lasting impression on visitors.

One of our proudest achievements lies in our contribution to the iconic outdoor site furnishing personal brand recognition of numerous businesses. Our collaboration with these businesses has led to the creation of outdoor spaces that stand as distinctive extensions of their brand identity. By tailoring products to reflect their unique visions and values, we've played a significant role in helping them carve out memorable and inviting outdoor settings that resonate with their clientele.

CUSTOM SIGNAGE

For unique visions, our skilled designers offer Complimentary Custom Patio Design Services. At Wausau Tile, we craft experiences, not just furnishings. Create custom designs for trash receptacles, logo-bearing benches, or special dedications. Our custom architectural signage suits various products, including concrete, metal, or plastic. Choose from a wide range of standard and custom options to give your loved ones, school, brand, or city the recognition they deserve.

CUSTOM COLORS

At Wausau Tile, we recognize that clients often have precise color and finish preferences or even a touch of uniqueness for their projects. That's why we provide an extensive array of options including colors, textures, and finishes. If you're seeking something truly exceptional or custom color replication, our assistance is readily available.

With our streamlined sample process, Wausau Tile extends the opportunity to craft custom hues from the ground up or harmonize with an existing piece. Our team of professionals will collaborate closely with you to realize the desired look, while remaining mindful of the project's financial parameters, too.

For the best custom match, sharing a physical sample expedites the process. If that's not feasible, our experts can match using a photograph or furnish us with a Benjamin Moore, Sherwin Williams, or Pantone color reference, and our team will diligently commence the creative process.

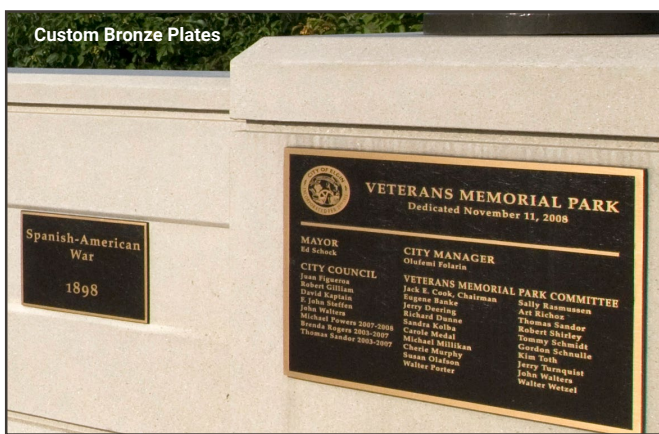

Let Wausau Tile be your partner as we curate something genuinely distinctive.

Snuffer WS150 W22 - Sand | Trash WS100 W22 5100 W22 w/custom Lid | Bench WS202 0 Blue

stylish and clean.

- Designs can easily be combined with other Site Furnishings.
- Available in concrete, metal & plastic.

Wausau Tile Snuffers offer a combination of safety, durability, customization, and environmental responsibility, making them an excellent choice for enhancing outdoor environments.

- **Fire Safety:** Safely extinguish cigarettes and reduce the risk of fire, making them an essential safety feature
- **Enhanced Cleanliness:** By providing a designated area for cigarette disposal, snuffers help maintain cleaner public spaces.
- **Durable Construction:** Regardless of the material chosen (concrete, plastics, or metal), Wausau Tile Snuffers are built to withstand outdoor elements, ensuring longevity and low maintenance.
- **Brand Image:** These snuffers can be customized with logos or branding, helping to reinforce your organization's identity in public spaces.
- Customization options, such as colors and finishes, to help you achieve a seamless integration with your outdoor space or branding.
- **Environmental Responsibility:** Many of Wausau Tile's products, including snuffers, are designed with sustainability in mind. Using recycled materials and promoting responsible waste disposal.

BOLLARDS

Elevate Visual Allure and Security with Bollards

Round, towering, illuminated, or tailor-made designs, our bollards are available in a rich spectrum of shapes, sizes, colors, textures, and finishes. If your priority is dependable security, optimized traffic flow, or for adding a touch of whimsy to schools or businesses, Wausau Tile offers a diverse range of bollards perfectly suited for countless applications.

Bollards Security

Our bollards have earned their place in some of the most high-profile, high-security locations, including the U.S. State Department, professional sports stadiums, military installations, and beyond.

Nearly every day our team encounters requests that range from simple vehicular traffic deterrents to more complex crash, K-rated, ASTM certified and Department of Defense approved systems.

When installed properly, these solutions are proven to perform.

TF607 | A22 Acid Wash Sand

PRODUCT ADVANTAGES

- Dependable solution for security and traffic flow.
- Constructed steel rebar encased in concrete provides superior strength.
- Available in an array of sizes, colors, textures and finishes.

PLANTERS

Whether your preference leans towards the enduring appeal of concrete, the refined grace of metal, or the adaptable nature of plastic, our planter collection boasts an extensive array of sizes, designs, patterns, and hues. By incorporating our planters into your project, you're not only elevating the visual charm of patios, building entrances, and pathways but also giving due importance to safety.

Discover the boundless potential that our planters unlock - experiment with diverse sizes of the same planter to achieve a harmonious aesthetic, or harmonize our Architectural Pavers with an assortment of planters to craft a mesmerizing visual panorama that's bound to leave a lasting impression. With Wausau Tile's planters, your project will thrive in both its aesthetic allure and practical functionality.

PRODUCT ADVANTAGES

- Durable planters that enhance safety.
- Numerous shapes, sizes and colors to suit any project's needs.
- Vast array of configurations for a one-of-a-kind composition.

RESERVOIR SYSTEM

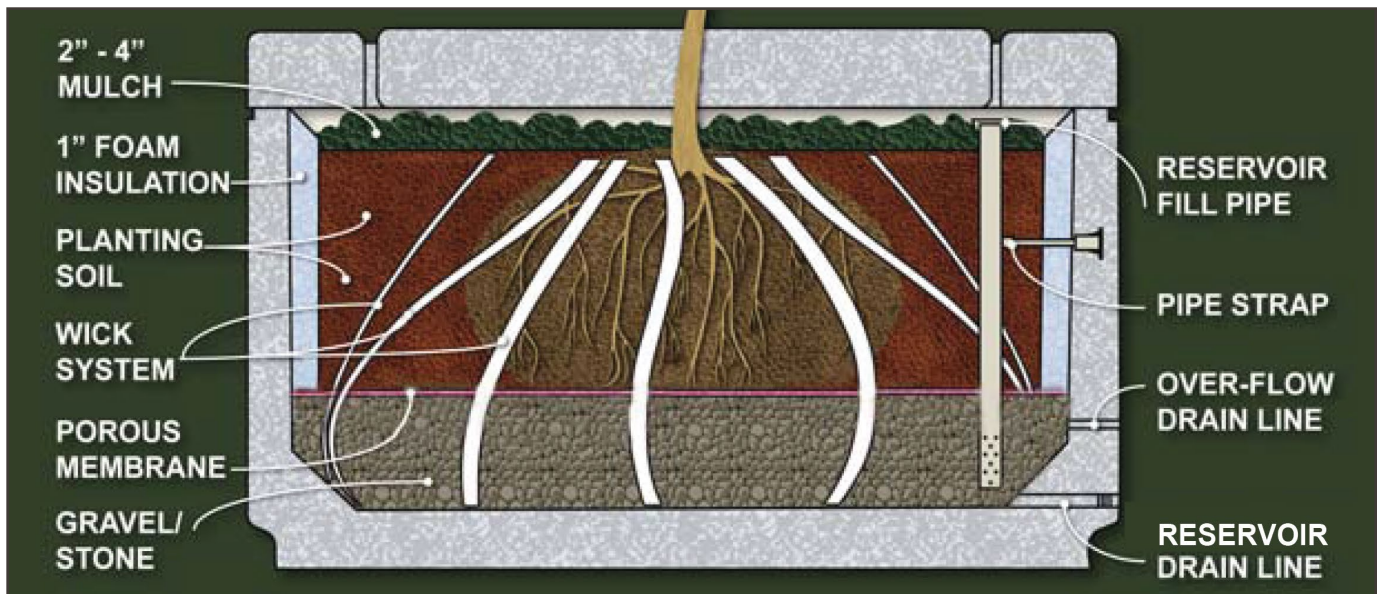

Wausau Tile's Reservoir System is an easy-to-install system that can be used in all planters 36" wide and bigger, and keeps your landscaping healthy and beautiful with minimal maintenance.

BENEFITS

- Available for planters 36" and larger
- Hidden pipe and wick system keeps plants hydrated
- Special drainage eliminates over watering
- Planters can be filled with mulch or soil
- Reduces evaporation

FEATURES

- Foam Insulation
- Wick System
- Over Flow Drain
- Reservoir Drain
- Reservoir Fill Pipe
- Drain Plugs
- Membrane
- Felt Disc

BENCHES & CHAIRS

Wausau Tile's benches and chairs are more than just functional seating solutions; they are testaments to the our commitment to craftsmanship, design, excellence, and durability.

Each is meticulously crafted with a keen eye for detail and a focus on quality. From the selection of premium materials to the precision of our manufacturing processes, Wausau Tile ensures that every product meets the highest standards.

Whether it's the enduring strength of concrete or the sleek elegance of metal, each piece is designed to provide comfortable seating while enduring the rigors of outdoor use.

PRODUCT ADVANTAGES

- Dependable, low-maintenance options
- Stylish shapes and setups available
- Variety of finishes, colors and styles to choose from
- Wausau Tile products are built to last

FEATURED PROJECT

AKSARBEN VILLAGE PLAZA

Aksarben Village Plaza, part of a multi-use development on the historic grounds of the 1919 AK-Sar-Ben (Nebraska spelled backwards) Horse Racetrack and Coliseum, is now a vibrant hub with cinemas, shopping, businesses, and restaurants, alongside residential spaces. The plaza aims to cater to daytime visitors and offer a safe and welcoming environment for nearby residents in the evening.

Wausau Tile's, Our Town Collection played a crucial role in shaping the plaza. The smooth, rounded surface of Our Town benches, featuring an acid wash finish and a mix of colors, offers a fabric-friendly and flexible design. The precast's long-term low maintenance and substantial weight, ensure durability. The modular design allows for versatile spaces, catering to small groups and family gatherings. The addition of the WS5161 Star Bench with a polished top adds geometric diversity and visual appeal, especially when viewed from surrounding upper floors.

CUSTOM SIGNS

CUSTOM SIGNS

PRODUCT ADVANTAGES

- Durable and long-lasting concrete signs at an affordable price
- Variety of standard styles
- Create custom signage to fit your needs
- Numerous colors and finishes available

Wausau Tile's custom signs are a testament to the dedication to craftsmanship, customization, and meeting the unique needs of each client. Signage can add a touch of branding to a corporate campus or provide information in public parks, corporate campuses, universities, and other outdoor settings.

Signs can serve various purposes, including directional signage, informational displays, recognition plaques, and are designed to make outdoor spaces more functional, attractive, and engaging.

Signs from Wausau Tile are built to withstand the rigors of outdoor use. They are engineered to be long-lasting, ensuring that the signage remains effective and attractive for years to come.
